PAKISTAN-SCOTTISH SCHOLARSHIP SCHEME FOR SCHOOL CHILDREN

2019-2020

Lasbela, Balochistan.

40 TO 400 STUDENTS

SPECIAL FOCUS ON GIRLS THIS YEARS.

For past five years WANG has been partnering with The British Council Pakistan to implement Pakistan-Scottish Scholarship Scheme for school children in Lasbela.

We started this journey together with 40 students for the year 2014-2015 since then the program has touched so many lives and have contributed in changing lives of many deserving students of Lasbela through financial support. This year with he support of our partners we were able to reach out 400 girls of Lasbela through the scholarship.

Over the years program has touched lives of hundreds of children of Lasbela by providing them needed resources to continue their education.

400 students of 9th and 10th grade of 26 schools of Lasbela were awarded the scholarship.

A percentage of total scholarship was dedicated to girls from minorities and girls with special needs group.

Due to COVID-19 instead of arranging a mega distribution event, a school to school distribution was done by WANG team. Small gathering including students of the school , WANG team and one or two community notables, district education office representatives were present in each of school.

COVID-19 SOPs were followed during the distribution drive.

COMMUNITY & MEDIA ENGAGEMENT

We used this distribution drive as an opportunity to engage communities and talk about importance of girls education and how Pakistan-Scottish Scholarship Scheme for school children is helping students of Lasbela.
